OFFERING #5-B

MATURE PLANTS

WE CONSIDER THESE PLANTS EXCEPTIONAL VALUES SINCE THE MAJORITY OF THOSE LISTED WILL FLOWER WITHIN ONE TO FIVE MONTHS. They were selected for sale while in flower last year. Prices are established on the basis of the quality of the flower and the size of the plant. Many of the plants have been repotted since they were selected, and are established in new osmundine.

They are all fine, healthy, well established plants that will produce good cut flowers. The description of the bloom is as accurate as we are able to describe it and it was written as the plant was in flower.

Since we have only one plant of each variety, please indicate a second and third choice when ordering. No substitutions will be made unless authorized by you, although we would appreciate your granting us this privilege. We have many more plants that are not on this particular offering, and we will make the substitutions as nearly alike the plant you select as possible.

Prices are F.O.B. Chattanooga. Plants to U.S.A. and Canada will be shipped in clay pots by Railway Express unless otherwise directed. Plants for foreign shipment will be sent out of pots by Air Express.

<u>A NUMBER AND BENCH NUMBER</u>	<u>BLOOM DESCRIPTION AND POT SIZE</u>	<u>PRICE</u>
508	C. HARDYANA, alba X C. GIGAS, F.M.B. White with purple lip. No description available. 5" pot.	\$17.50
